DUBAI, 16th August, 2015 (WAM) -- Major General Khamis Mattar Al Mazeina, Commander-in-Chief of Dubai Police, has received a delegation from Zulekha Hospital headed by Dr. Zulekha Daud, founder and CEO of Zulekha Hospitals.

In the meeting, which was attended by Brigadier Dr. Ali Singel, Director of the Dubai Police Health Centre, Major General Al Mazeina discussed strengthening cooperation between Dubai Police and Zulekha Hospital and exchanging views, experience and consulting, and how to take advantage of facilities and medical and therapeutic services as well as building cooperation with medical institutions within the country.

He also listened to a brief about the hospital, healthcare, medical crew, specialties, rehab services and medical services which the hospital provides.

Taher Shams, President of Zulekha Healthcare Group, said, "As a responsible healthcare service provider in the UAE, we have always taken utmost care and attention to implement sustainability and help our society prosper through a series of initiatives.

"We have set our standards very high by being a leading sustainable hospital, a member of the Sharjah Electricity and Water Authority energy team, and also by publishing the first GRI report by a healthcare group in the UAE.

"We are honoured to be working closely with Dubai Police and hope that our input can help the growth of our fast growing community effectively."
